

“Supporting the Maker ED Movement”
National Association of Media & Technology Centers
SHARED CONVERSATION

Presenter: Sally Lindgren
Director of Technology & Innovation
Great Prairie Area Education Agency
Burlington, Iowa

The Maker ED movement supports educators in defining learning spaces that encourage creative, hands-on, collaborative learning experiences for students.

Date: *Tuesday, Jan. 17, 2017*
Time: *2 p.m. CST or 3 p.m. EST*

Join us for a NAMTC Shared Conversation discussion on Jan. 17 with presenters Sally Lindgren and Jeff Kay as they share information about their organization's Makerspaces and the many ways the spaces are creating and expanding collaborative learning experiences.

Visit the following link to join:
